

ROMANTIC CINE JAZZ PIANO series offer soothing and relaxing vibes.

From the Jazz genre to the Newage genre, a huge volume of library will help your game spark creativity.

These themes will perfectly fit into peaceful/emotional/idle/lobby/village stage. (You name it!)

Since all tracks are designed to perform a smooth playback, there are intentional fade ins and outs at the beginning or at the end of the scores.

10 piano themes in each Pack. (Total 160 themes in whole series)

Please note that there are no Track#1 ~ #30
